

- a. case of competition is a sport other than running, other approved SDSAC garb can be worn.
- b. Local USATF events (not Championships) allow SDSAC members to compete on any local team such as FTC-W, SDTC, etc. However, to receive SDSAC benefits, an SDSAC member is expected to compete for SDSAC wearing the standard uniform of the MEB singlet and black racing shorts/pants.
- c. In agreement with our local USATF, "The Fund" will be used to help finance an 8K Dirt Dog event currently scheduled for October 15, 2023. The Kurtz family is excited about this. It is being called the Jim Kurtz Celebration of Life 8K, aka JK8K. Help and suggestions from SDSAC members and others are welcomed and encouraged. Your efforts in any way will be greatly appreciated for the organizing of JK8K. Jim's family has happily received the task of selecting the JK8K awards for each year and they will be there the day of the race to help out in a variety of ways. Most notably, a Kurtz family representative, will hand out the awards.

As you might imagine a lot of time and effort has been expended working on all aspects of leading SDSAC and managing the SDSAC Fund with comments from Jim's family and a few SDSAC members. What we have written herein was significantly influenced by their comments and we thank them.

In closing, Jim's request was not specific as to how the Fund should be used, but we think his intentions were to support SDSAC in all things related to competitive sports such as running that was his favorite sport. All interested SDSAC members will have the opportunity to make suggestions at our upcoming SDSAC Annual December Meeting. The date and details of this meeting will be sent to you before 30 November 2023.

Since SDSAC welcomes all sports, if any member wishes to notify or recruit individuals from other sports to join SDSAC, please do so. This also includes all ages.

Sincerely,  
Steve (619-368-9975) and Alan (858-401-3941)

P.S. Those of you wishing to UNSUBSCRIBE to SDSAC email announcements may do so by calling or sending an email to Steve and Alan and you will be taken out at sandiegostridersac@gmail.com
